Meet Your Neighbor Reception

The first reception hosted by the Welcome Team at the home of Larry and Dallie Bassuk occurred on September 24th from 6:30pm – 8:30pm. The event was well attended by more than 70 of our neighbors. The Welcome Team was present along with some of our Board members.

The Welcome Team would like to thank all who participated and brought food and drinks. Also, the Welcome Team would like to thank and extend our grateful appreciation to our Host and Hostess – Larry and Dallie Bassuk.

Our next anticipated reception will be held in the spring of 2016.

New Neighbors

At this time, the Welcome Team has contacted our newest neighbor on Wessex and will meet with them as soon as their schedule allows.

Current Activity

At this time, there is no current activity other than waiting to hear of any home closings and potential new neighbors.

Respectfully submitted,
Traci Ahangarzadeh
